

Your Self-Directed Services Partner

Consumer Direct Care Network Wisconsin (CDWI) provides quality care and support to families and people of all ages, including older adults, children, and individuals with physical, intellectual, or developmental disabilities. Our mission is to assist individuals with remaining safe, healthy, and independent in their own homes and out in the community.

As a Financial Management Services (FMS) Provider, we support you through the enrollment process and assist you in your role as the employer of your caregivers.

The ways we support you include, but aren't limited to:

- Responsive customer service
- Completion of required caregiver paperwork
- Accurate and timely payroll processing
- Online Provider Directory to assist with finding caregivers
- Tools for training and managing caregivers
- Secure online access for time entry and spending information
- Budget management
- Facilitating caregiver background checks
- Local expertise, national experience
- Ensuring workers' compensation and unemployment coverage
- Compliance with state and federal rules and regulations

CONSUMER DIRECT CARE NETWORK WISCONSIN

Live Well and **Independently** at Home

CDWI provides superior customer service to individuals and families just like you, in every county throughout the state of Wisconsin. You've spent a lifetime making your own decisions and supporting your family's best interests. The in-home care you or your family requires should be no different. Self-directed care puts you in control, allowing you to arrange and direct your own services. You select, train, and manage your caregiver who may be a trusted friend, neighbor, or relative.

Our Services Include:

- Fiscal/Employer Agent
- Financial Management Services
- Support Broker Services

Life is better at home where you can be independent and make your own choices. Our services support your role in managing your caregivers and determining the level of care best suited to your unique needs.

Our support brokers assist with:

- Caregiver recruitment and paperwork
- Managing caregivers
- Budget activity monitoring
- Short-term or long-term support
- Timesheet review and submission

You stay in control of your care by selecting, training, and scheduling your caregivers.

**We are here to help you
live the life you choose.**
